A Call To Seva

Real ways to serve. Real ways to build Bharat.
Rebuilding rural Bihar, brick by brick.

हम वापस लौट आए हैं...

We Have Returned.

Our education system teaches the brightest minds to escape the village. We went to IIT Delhi, we saw the world, and we realized a painful truth: **No one is building for the 90% of India that lives in villages.**

True nation-building cannot happen through mobile apps alone—it requires deep cultural roots, individuals devoted from the heart, and physical infrastructure. We returned to Raghopur to build for Real Bharat.

"In the following pages, you will find specific, tangible ways to contribute. Whether you sponsor a ₹5 Lakh classroom, or donate ₹100 for a sapling—we welcome every single rupee. Our Gurukulam will not just be school, we ask you to join us in building a civilizational model."

परिचय

Who We Are.

Divya Bihar Mission is a registered public charitable trust based in Raghopur, Supaul, Bihar, established by a collective of IIT alumni and grassroots leaders.

We operate on a profound conviction: true national progress is impossible if we abandon our villages. We are building a replicable, self-reliant civilizational model across five interconnected pillars.

DBG Gurukulam acts as the physical epicenter of this mission. It is from this school that our vision scales to the community.
